

ASSEMBLY INSTRUCTIONS

In the set you will find:

3 legs

1 table top

3 flat mounting plates

12 UNIX screws

Remove all the items from the package and assembly the table step by step. See for yourself how easy it is!

Step 1

Turn the table top so that the holes are visible at the top. Make sure the surface under the table top is even.

Mount the mounting plates with the UNIX screws to the holes near the edge of the table top.

Step 2

Tighten the legs to all the plates.

FINISHED! AND NOW...
